Hon. Assistant Commissioner for Patents

SIR:

Applicants hereby request that all further correspondence in the present application be sent to the following address:

The present application is a national stage application under 35 U.S.C. 371 of a PCT application PCT/DE99/00896. The national stage papers were filed with an application cover sheet dated September 26, 2000, instructing that all correspondence be sent to Schiff Hardin & Waite, Patent Department, 6600 Sears Tower, 233 South Wacker Drive, Chicago, Illinois 60606.

The national stage application also included a signed declaration by the inventors, which showed the correspondence address of the Applicants' former counsel, specifically "Hill Steadman & Simpson, 85th Floor, Sears Tower, 233 S. Wacker Drive, Chicago, Illinois 60606. The declaration form was executed on March 24, 1999. At the time of execution of

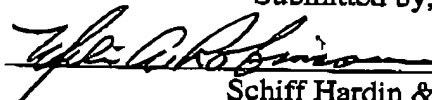

the declaration, the Hill Steadman & Simpson was counsel for Applicants but at the time of filing of the application papers and to the present the Applicants' counsel is Schiff Hardin & Waite.

The Patent Office initially corresponded with Schiff Hardin & Waite, forwarding the Notification of Acceptance and the Notice of Recordation to the Schiff Hardin & Waite firm. However, upon investigation it has been determined that the official filing receipt and the Restriction Requirement (paper number 5) were forwarded to the address of the former counsel.

Applicants' counsel has now received a telephone call from the Examiner indicating that an office action (paper number 7) was mailed by the Patent Office to the address of the former counsel and has been returned as undeliverable. The Examiner has indicated that upon the filing of the present change of address, the office action will be forwarded to Applicants' present counsel and the response period reset.

Applicants thank the Examiner for the courtesies extended to Applicants' representative during the telephone calls and note with appreciation the Examiner's efforts to bring this situation to the attention of Applicants' counsel.

(Reg. 31,870)
